

**GALAXY
 AGRICULTURE**

TRA: I-1
 Speed Rating: **A6**

Galaxy IMP PRO is designed to ensure a large footprint and durability making it the preferred choice for grasslands and sensitive soil applications like foraging and manure spreading. Robust textile construction provides high load carrying capacity and stability ensuring its suitability for both on and off road applications. When used along with trailers, it ensures controlled depth especially during seeding cycle. With all these attributes Galaxy IMP PRO proves to be a reliable implement tire that's one of a kind.
