TRA: **R-1W**
Speed Rating: **D**

The Galaxy Earth Pro Radial 651 tires are available in a complete range of front and rear combination tires with D speed rating. The tread patterns on these tires represent the trend of modern radial agricultural tires with a low aspect ratio. High tire volume along with low inflation pressure provides high traction and increased soil protection. The lug design ensures better self-cleaning with reduced tire slippage. Multi lug angle tread pattern and overlapping central lugs ensure on & off-road suitability
