INDUSTRIAL

TRA: R-4
Speed Rating: A2

Galaxy Multi tough is the go-to solution for all compact machineries. The innovative design of the tire ensures low rolling resistance leading to low fuel consumption. The non-directional tread pattern is optimized for both on and off road applications. Shoulder lugs ensure excellent grip while working on softer surfaces whereas the massive central blocks provide longer life when it operates on harder surfaces. It has high damping capability which absorbs road shocks and enables smooth ride.
